Everything You Need, All in One Place

We're excited to introduce the **Candle Club Member Handbook** and **Clubster App** — making it easier than ever to stay connected and informed!

Clubster is a free app you can download right to your phone, giving you one convenient place to find Candle Club information, including upcoming events, live music, billing, Club updates, and more.

Everything will be available through Clubster by November 1. Throughout the month of October, you'll begin receiving your invitation to join Clubster and get set up.

As we make this transition, our current Constant Contact emails and Call Multiplier texts will be going away. If you choose not to download the app, Clubster will still send important Club information to you by email, so you can stay informed and connected.

And of course, we'll continue sharing updates, events, and everything happening around the Club on our social media channels.

One place. One connection. Everything Candle Club.

Holiday & Private Bookings

The holiday season is just around the corner, and we'd love to celebrate with you! Whether you're planning a festive gathering with friends, a company holiday party, or a special private event, Candle Club has the perfect space to bring everyone together.

Choose from The Boardroom, Ted's Room, or LaVela for larger celebrations. Our calendar is already filling up, so now is the perfect time to reserve your date and let us take care of the details.

To start planning your celebration, contact Paul at paul@candleclubwichita.com
